

One week left – Be considered for the Pre-Meeting Symposium.

AMERICAN  
SOCIETY FOR  
MICROBIOLOGY

# 2018 ASM BIOTHREATS

FEBRUARY 12-14, 2018 | BALTIMORE, MARYLAND

On Sunday, February 11, the [2018 ASM Biothreats](#) will hold a **free, half-day Pre-Meeting Symposium** consisting of peer-to-peer oral presentations **by and for students, post-doctoral, and early career attendees!** Present your basic science and policy research in a supportive environment to receive constructive feedback and have interactive conversations with your peers.

**Submit Your Abstract for  
Consideration!**

***Deadline: November 6, 2017, 5:00 p.m. (ET)***

Click [here](#) to submit an abstract, then complete a [request form](#) to be considered for an oral presentation at the Pre-Meeting Symposium no later than **November 6, 2017, 5:00 p.m. (ET.)**

Students and early career scientists who submit an abstract are also eligible to request a [Biothreats Travel Award](#). Requests for an award must be indicated during the abstract submission process by November 6, 2017, 5:00 p.m (ET).

Don't miss the opportunity to connect, share, and learn with your peers. [Submit your abstract](#) today!

Questions? Contact [biothreats@asmusa.org](mailto:biothreats@asmusa.org) | Learn more: [www.asm.org/biothreats](http://www.asm.org/biothreats)

If you do not wish to receive future email from ASM [click here](#). All requests will be honored within 3 business days.

This will not affect important transactional emails such as receipts for [www.asmscience.org](http://www.asmscience.org) purchases, member renewal notices; email subscriptions you personally selected through an opt-in request; or information from ASM Officers. To manage your opt-in email subscriptions to a variety of ASM listservs and alerts, [click here](#).

NOT AN ASM MEMBER? If you are not an ASM member and do not wish to receive e-alerts concerning this program, please send a reply email and ask to be removed from the mailing list.
