Conference/AGM 2019

THEME:

“THE ROLE OF BIOSAFETY AND BIOSECURITY IN NATIONAL AND REGIONAL DEVELOPMENT”

SUB-THEMES

- I. The Place of Insurance in Biosafety and Biosecurity
- II. Laboratory Biosafety and Biosecurity Training and Practices, a Panacea for a Safe Work Place.
- III. Biosafety and Biosecurity in the Use of Modern Biotechnology.
- IV. The Role of Biosafety and Biosecurity in the Control of Zoonotic Diseases,
- V. Genetically Modified Arthropods and Biosecurity Implications.

9:00AM

INTERNATIONAL CONFERENCE CENTRE,
ABUJA - NIGERIA.

PARTNERS:

BACKGROUND

The Nigerian Biological Safety Association (NiBSA) was formed in November 24, 2010 as a multidisciplinary association with headquarters in Abuja, Nigeria. It is a non-governmental, not-for-profit organization that provides a forum for issue-based debates and discourses of concerns with respect to biosafety and biosecurity. A veritable way of achieving this mandate is creating for cross-fertilization of ideas and sharing knowledge on this subject matter in form of conferences. It is in this light that the organization has called her 2019 conference.

OBJECTIVES

1. To promote biosafety and biosecurity as scientific disciplines in national and regional development.
2. To explore the role of insurance in biosafety and biosecurity.
3. To create awareness on the need to strengthen training and standard practices of biosafety and biosecurity in the work place.
4. To explore partner network in resolving emerging challenges arising from biological and related threat.
5. To promote the understanding and regulation of product of modern biotechnology for protection and promotion of human, animal and environmental health.

CONFERENCE STRUCTURE

18/11/19 (Monday)	- Arrival
19/11/19 (Tuesday)	- Pre-conference Activities/IFBA Exams
20/11/19 (Wednesday)	- Pre-conference Activities/WABNET
21/11/19 (Thursday)	- Morning: Opening Ceremony, Afternoon: Paper Presentations Evening: Dinner
22/11/19 (Friday)	- Morning: Paper Presentation Afternoon: AGM
23/11/19 (Saturday):	- Departure

ABSTRACTS

Time line for submission of abstract:

Abstract submission is now open and closes 30th October, 2019 at mid night (Nigeria time). All abstract must be submitted online via the following e-mails:

abuja.conference2019@nigeriabiosafetyasso.org

oyefolu.conference2019@nigeriabiosafetyasso.org

NOTE: Abstracts of original research works should center on the conference theme, sub-themes and conference objectives and public health.

EXHIBITION

The conference will also feature exhibitions from local and international organisations and vendors through out its duration, and would provide opportunities for networking and business partnership between professionals and key industry players.

TARGET PARTICIPANTS

NiBSA Members, Security Services/Agents, Academia, Public Health Practitioners, Environmentalists, Engineers, Legal Practitioners, Administrators, Researchers, Veterinary, Medical Laboratory Scientists, Students, Media etc and General Public.
