

# IFBA Professional Certification

## Directory of Certified Professionals

The IFBA publishes a global directory of individuals who are Professionally Certified by the IFBA's Certification Body. If you are unable to locate an individual in this directory, this does not necessarily mean that the individual is not certified. New certified professionals are continually added to the list. Please contact the IFBA Secretariat at [secretariat@internationalbiosafety.org](mailto:secretariat@internationalbiosafety.org) to verify an individual's certification status.
