

Directory of IFBA Certified Professionals

The IFBA publishes a global directory of individuals who are Professionally Certified by the IFBA's Certification Body. Certifications are valid for a period of 5 years from the date indicated after which the certificants must undergo a recertification process. If you are unable to locate an individual in this directory, this does not necessarily mean that the individual is not certified. New certified professionals are added to the list each month. Please contact the IFBA Secretariat at secretariat@internationalbiosafety.org to verify an individual's certification status.
