Mark your calendars for **January 22-24, 2025**, as we will gather together in Arusha, Tanzania for **Global Voices: Celebrating Diversity in Biosafety & Biosecurity**. Strengthened by our diversity, this event presents a remarkable opportunity to meet each other in-person and further enrich our international biosafety & biosecurity community. By welcoming and sharing unique perspectives from all corners of the globe, we gain a deeper understanding of the best way to work towards global health security.

Hosted by the International Federation of Biosafety Associations (IFBA) and Tanzania Biological Safety Association (TaBSA), with support from Canada's Weapons Threat Reduction Program, this conference will help to kick start Canada's 2025 presidency of the G7-led Global Partnership Against the Spread of Weapons and Materials of Mass Destruction and advance the shared commitment of inclusivity and building bridges within our global community.
